

## Best Practice – I

**Title:** "Say no to plastic " initiative taken by Arts Department.

**Objectives:**

To raise awareness among the students about the harmful effects of plastic on ecosystems and human health.

**Context:**

Plastic pollution has become a global environmental crisis, adversely affecting ecosystems, and human health. To address this issue, our college especially Arts department implemented bans on single-use plastics and promoted the use of biodegradable alternatives.

**Practice:**

The students were encouraged to use eco-friendly alternatives such as paper, cardboard, glass, metal, and biodegradable plastics. Use of posters, presentations and campaigns to create awareness among students.

**Evidence:**

Reduction in Plastic pollution, by replacing cardboard files, card paper files in place of plastic files.

**Problems Encountered:**

Implementing a ban on plastic use addressing the multiple challenges and it requires awareness among students to achieve meaningful reductions in plastic pollution and promote environmental sustainability.
