

Institutional Distinctiveness

Excellence, Learning for life, Commitment, Open mindedness, Efficiency accountability, Perseverance are the core values of the institute and as per the mission and vision of the institute the institute is providing KG to PG education in the city with a commitment to high quality education and research. The institute believes in quality education and overall development of the students. Considering this our well-qualified and efficient staff lays emphasis on extra & co-curricular activities along with academic studies. The college is situated in the rural area and most of the students are first generation learners so the management & faculty members are working very hard to provide them quality education and to groom them to stand in this competitive atmosphere. Being a multi faculty, multi lingual and co-education college, it provides the students ample opportunities to interact and grow together not only in academics but in sports, cultural and other extra-curricular activities organized through different committees and cells. The college has well equipped laboratories for all science subjects. The students can avail the library facility even on public holidays with prior permission of the principal. College gives equal importance to sports, physical & mental fitness. College has a well maintained sports ground and gym. To promote the same amongst the youth college has been organizing various inter and intra collegiate indoor and outdoor sports competitions.
